The area was settled from at least Illyrian and Roman times, but the town itself was first mentioned in 1260, in a document of King Bela IV.

Bihac has sport infrastructure that allows development of professional and amateur sport teams and individuals in indoor and outdoor sports. The stadium, sport halls, bowling alley, kayak tracks, diving centre, thermal recreation centre, sport airfield and hippodrome combined with the fresh air and clean water, are some of the sport sites that Bihac can offer. More than twenty different sports happen daily throughout the town. Football has a long tradition here, with the club "Jedinstvo", founded in 1919.

Natural beauties and the old town inspire many artists. Some of them come to discover a new detail; some of them come to exhibit.
